# ADITHYA SALIAN

## ASPIRING FRONT-END DEVELOPER

## ABOUT ME

I am a recent engineering graduate from Terna Engineering College, Nerul, affiliated with the University of Mumbai, with a strong passion for web development. My skill set includes HTML5, CSS, Bootstrap, JavaScript, and jQuery, and I have experience using GitHub for version control. I am highly motivated to kickstart my career in front-end development and am actively seeking opportunities to contribute to web projects and further develop my skills.

## EDUCATION

## PROJECTS

**Portfolio Website:**

Description: Developed a personal portfolio website to showcase my web development skills and projects. Designed and implemented the site using HTML5, CSS3, and JavaScript, ensuring a responsive and user-friendly interface. Incorporated Bootstrap for a clean and modern design. The website includes sections for displaying various projects and provides links to my GitHub repository for each project.

Key Achievements:
- Designed a visually appealing and user-friendly interface.
- Demonstrated proficiency in front-end technologies, including HTML, CSS, and JavaScript.
- Effectively utilized Bootstrap for responsive design.
- Showcased multiple personal and professional projects.
